Hi Michele. I am recovering nicely at home. Drug free. I will check with Dan tomorrow regarding the CD. As far as the Aug 2009 hard copy goes, Dan may have to provide that as well. I have several extra hard copies at my desk, but I believe they are all from July 2009. Will confirm this in the morning.

Thanks Robin,

Would you please proceed with getting us an electronic version of the revised UIC permit application to include the three revised pages on the proposed testing (attached below)? We have a CD with your application, but since you are replacing a few pages we need a new CD.

I need it by Tuesday of next week - July 20. I am copying Dan Collins because i think DaMonica mentioned she was going to work with him to provide this.

Please let me know if you have any questions.

Sincerely,

Michele

Michele,

Please disregard my previous attachments and accept the ones in this e-mail. I have sent the un-edited ones in a hurry to fix the problem of attachments.

Regards
